JULY – 2010

Dear Guests

AA – Pennant Scheme 2010.

We have been assessed by the AA Pennant quality scheme and have been upgraded to a 4 Pennant rating with 81% pass.

East Midlands Excellence Awards 2010

We have just been informed that we have again been short listed as finalist in the East Midland Enjoy England Excellence Award 2010. We were awarded a Bronze Award / Best Newcomer last year in the Caravan Park & Holiday Village section. We will / may be visited by a mystery shopper during the season who will give an unbiased view of the site.

Your support and recommendations during the 2009 / 2010 season has been greatly appreciated and instrumental in our continued success.

Spring Bank Holiday 2010

Thanks for all your support, which resulted in a full site during this weekend. (Including our first fifth Wheel)

August Bank Holiday 2010

We do at present still have availability for the 2010 August Bank Holiday.

We have been updating the UK Camp site web site (availability page), to give you and other potential guests an insight as to availability during the 2010 season.

Our first rally

We have now had our first "On Site Rally" (18 Units) arriving on Wednesday / Thursday 21st July. The Gobur Owners Caravan Club joined us for a 5 Plus night break. They had planned their visit to take in the "Heckington Village Show", many took the opportunity visiting either on the Saturday or Sunday. On the Monday they visited the "Duke of Wellington" for a farewell evening meal.

The Largest Village Show In England

Nothing quite matches **Heckington Show** for the relaxed way that it combines the intimacy of a village show with the expectation of the national stage. Heckington Show is a **true family day out**, a quintessentially English Summer occasion for families and friends to enjoy and take part in, an event that brings competition and co-operation, pride and pleasure, sunshine and smiles to a Summer's day

Saturday at 7.30pm – Grand Firework Display & Open Air Concert

The show is an annual event so why not put it in your Diary for next year

Caravan Channel

Some of you may have seen us on the caravan channel –which is shown on Sky information channel. Chris Gosling and his wife visited the site in May, and was kind enough to produce a brief overview of the site and its facilities

WI-FI

We have now had the site installed with WI- FI through "Caravan Connect". Those of you who have an account can use the system others will need to register – cost from approx £6.00 per day to £15.00 week or £65 per annum (which can then be used during the year on any Caravan Connect WI FI site's).
