SITE ACCESS STATEMENT

S Maynard – 27th Oct 2008

Access throughout the site is good and generally level and flat

Location:

Long Acres Touring caravan & Camping Park is located off the main A16 north of Boston Lincolnshire, at Sibsey (By Church) Take the B1184 - Station Road for approx 1 mile at T junction turn left, follow this road for approx 1.5 Miles, after level crossing take next turning right into Station Road - Old Leake. (The site entrance is Approx 1/2 mile on the left hand side.)

Pitches & Grounds:

All our pitches are level with electric hook up and have gravel Hard standing's, car parking is available alongside each pitch. Access is via a level central gravel road and all grassed areas are kept of manageable length and should not prove difficult for any wheel chair user to negotiate. If you prefer to have a pitch located close to the toilet block we will endeavour to honour this request, if made during your reservation. The grass is deliberately left long along the perimeter of the site - please apply caution to these area's.

At night the site is well lit around the toilet area and general lighting along main access road.

Toilets:

The Ladies – Gents and assisted Toilet facilities can be found located centrally in the Park. Access is via the main gravelled road and block paved access. However there is a 15 – 20mm (¾ inch) step into the toilet from the block paved path. A separate assisted room with shower (Seat), basin and toilet - complete with grab rails and enough room for companion assistance if required, The toilet block also provides indoor wash up facilities.

Please Note - The site operates a speed limit of 5 MPH
